### 1. Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- › Increase the extent to which disabled pupils can participate in the curriculum
- › Improve the physical environment of the school to enable disabled pupils (visitors and staff) to take better advantage of education, benefits, facilities and services provided
- › Improve the availability of accessible information to disabled pupils (visitors and staff)

Our school aims to treat all its pupils (visitors and staff) fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

At The Shires we are committed to enhancing the lives of all our young people so they can all become Curious, Confident, Communicators, learners, and adults. In our community this is known as “the 3 C’s”. We support our children to be:

- Safe – be safe, feel safe, and understand risk
- Understanding – be effective and successful communicators
- Kind – be kind to all around them, to understand and respect the needs of others
- Happy – be healthy and happy individuals who enjoy coming to school
- Ambitious – have goals and dreams for their futures and be supported to achieve them
- Successful – find regular achievement and celebrate this as part of a community

Paper or electronic copies of this document are available upon request.

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

The school supports any available partnerships to develop and implement the plan.

The Shires is supported by its proprietors to ensure any proposed development aims are pupil in place.

Our school’s complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, the complaints procedure sets out the process for raising any concerns.

We have included a range of stakeholders in the development of this accessibility plan, including pupils, parents, staff, visitors and governors of the school.

### 2. Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if they have a physical or mental impairment that has a ‘substantial’ and ‘long-term’ adverse effect on their ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), ‘long-term’ is defined as ‘a year or more’ and ‘substantial’ is defined as ‘more than minor or trivial’. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer. Schools are required to make ‘reasonable adjustments’ for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

### 3. Action plan

This action plan sets out the aims of our accessibility plan in accordance with the Equality Act 2010.
